

Caring & Laundering

Washable Resources & Costumes

Hang out regularly in the fresh air in the shade.
Keep costumes hung up keeps them looking inviting.

When washing ... most resources/costumes
can be given a cold gentle cycle machine wash.

HOWEVER you will get longer life if you
WASH ALL RESOURCES BY HAND.

Always wash colours separately to check if any dye runs first.

Always wash **SEQUINS** by hand **QUICKLY**.

DO NOT rub, wring or put any resources in the **DRYER**

Join Velcro fastenings together before washing.

Organza skirts or dresses need to be washed
in a laundry bag or gently by hand.

Washing Vinyl - Use a sponge by hand.

Care of ribbons - Hang up, supervised use better
- not to be used for tug-o-war. To be washed by hand.

WASHING BY HAND...

A quick hand dunk using your usual appropriate soap flakes,
powder or detergent, followed by a quick gentle hand rinse
and hang to drip dry in shade preventing fading.
